Buy 30 Pails	Get 4 Pails Free

After initial purchase of 10 pails, subsequent purchases in 10 pail increments are entitled to receive 1 free pail.

Maximized Turf Quality • Enhanced IPM Efficiencies • Improved Disease Control

The active ingredient in CIVITAS TURF DEFENSE resembles the natural paraffins found on the surface of leaves and provides a physical barrier that helps prevent fungi from entering the turf plants. In addition, CIVITAS TURF DEFENSE works via Induced Systemic Resistance (ISR) - a process that prepares the plant to respond faster and stronger to a potential fungal invasion.
