

Dedicate Stressgard Fall Rebate Program
 Bayer makes it easy to save on fungicide protection

Take care of your turf this winter and help your budget this fall with Bayer's 2021 Fall Rebate Program. Dedicate® Stressgard® keeps your course protected from fall and winter diseases:

- Proven snow mould and Microdochium patch control
- Lower environmental loading
- Doesn't require you to shut down your golf course after fall fungicide application
- Leftover product can be applied anytime, not just in the fall

Simplify your fungicide program and save with Bayer's easy rebates
